How To Read Bus Route Numbers and Notes. + * indicates that all branches run along that portion of the route. For example, 87 indicates the presence of all branches: the 87, the 87A, the 87B. A * separates each branch in a route box where only one of the branches follow that portion of the route. For example, 87A indicates the presence of the 87A and the 87B, but not the 87. A rectangular box indicates a route end point or a branch of a route end point. A pointed box is angled to show the direction of travel. A yellow rectangular box indicates the end point of an express route or the end point of an express branch of a route. Note that route lines are not shown for express branches on regular routes. A yellow pointed box shows the direction of travel on Express and Rocket routes.
